Menu

Coffee and Tea

Our beans are from the Teifi Coffee Company, and proud that their coffee is Fairly Traded. The coffee wholesaler trades fairly and directly with the coffee farmers. They pay more than average for the coffee to re-invest in the farms and local community.

All of our coffees are profile roasted in small batches to release the optimum flavour of each bean. The master roaster 'cups' or tastes each batch to ensure flavour quality. The coffee is packed straight away to make sure every bag of Welsh Coffee is "roaster" fresh until its ready to be served.
